

AttentionGAT-B Qualified applicants for M.Sc. Biotechnology....

Dear Applicants of DBT Sponsored M.Sc. Biotechnology programme for GAT-B Qualified Candidates, as we have not received the Final Semester/year degree marks cards of several applicants, we are unable to prepare the selection list. We are in the process of receiving the final semester/year marks cards. Candidates, only those who have already submitted their applications are requested to send their final semester/year marks cards, if not sent earlier. Those who have already submitted their complete applications along with the final semester/year degree marks cards need not send again. We will prepare the selection list as soon as we receive the final semester/year marks cards.
