CIRCULAR

As per the directions of Additional Chief Secretary to Government of Karnataka and the Commissioner of Collegiate and Technical Education, we hereby bring to the kind notice of the Principals of all affiliated, autonomous and constituent colleges of University of Mysore to speed up the UG admission data entry in UUCMS portal and complete the process at the earliest. Since the UUCMS portal is integrated with SSP portal, the data entry is essential for all students' scholarships.

The above information has already been shared many times in the "UOM Affiliated Colleges" *WhatsApp group* (Created on 04-04-2020 and there are 256 participants in the group) and reminded about the data entry process as well. The University has also informed the Principals to appoint a Technical staff in their college to look after the data entry process. The UUCMS E-Governance Cell of University of Mysore has sent the **Login Credentials** to the official email ID of all the colleges one month back and few colleges have already started the data entry process. In order to resolve the technical issues encountered during the data entry process, the E-Governance Cell has created one more *WhasApp group* by name "UOM-AAC-Nodal Officers" (Created on 02-09-2021) and it was also informed to the Principals of all the colleges one month back. So far 110 colleges have become the members of the group and all technical related issues related to UUCMS portal are shared with this group and are resolved as and when reported. We are surprised to hear that many colleges have not yet received any information about UUCMS portal and are not aware of the students' data entry process to UUCMS portal. It is also came to our notice that many colleges are not in the "UOM Affiliated Colleges" *WhatsApp group* and hence the above information is brought into your kind notice through this official circular and you are all requested to get the **Login Credentials** if not yet received and complete the data entry process as early as possible. For any technical clarifications related to UUCMS portal and data entry process you are requested to contact UUCMS E-Governance Cell of University of Mysore with the following mobile numbers.
