Dated: 13.07.2021

CIRCULAR

A demo of Chemi-Doc MP Imaging System (Make: Bio-Rad, Model: Chemi-Doc MP Imaging System) will be held on 15.07.2021 (Thursday) at 2.00 p.m. at Proteomics lab, Institution of Excellence, Vijnana Bhavan, University of Mysore, Manasagangotri, Mysuru.

Interested Research Scholars and Students are informed to attend the demonstration of the instrument to utilize the facility for their Research.

If any Research Scholars and Students have their DNA or Protein gels, Blotting membranes to be imaged can bring their gels or membranes and get imaged during the demo.

Please intimate the interested Research Scholars and Students of your department to attend the demo.
